

Masaya **Volcano and Handicraft Market**

The grounds of this national park includes the basaltic volcano itself, a museum exploring the park's natural phenomena, and famous Santiago Crater. You will have the opportunity to walk to the very edge of the volcano and look all the way down to the bottom.

At the end you will have time to do a little shopping at the Masaya Indian Market. Search for your favorite Nicaraguan souvenirs before returning to your hotel.

Tour includes:

- Roundtrip Transfers from your Hotel
